

Global Giving Little by Little Campaign has begun!

Dear Supporters and Partners,

From today **25th March 2025 to 28th March 2025 (23:59:59 EDT)**, [AdvocAid](#) is participating in the **#GlobalGiving's Little by Little** campaign, and we **invite you to join us in our mission to empower women in Sierra Leone.**

Your support can make a significant impact as we aim to raise a minimum of **\$1,000** for each of our crucial initiatives, **and every donation up to 50 USD will be matched with another 50 USD, therefore doubling the value of your support.** Below is the list of our projects:

[Building Feminist Lawyers in Sierra Leone:](#)

Help us cultivate a new generation of women lawyers who are not only skilled professionals but also advocates for gender equality and justice.

[Post-Prison Support for 300 Women:](#)

Many women in Sierra Leone face immense challenges after incarceration, including stigma, lack of resources, and limited opportunities for reintegration.

[Supporting 350 Female Detainees:](#)

The conditions faced by female detainees in Sierra Leone's prisons are dire, often lacking basic necessities and adequate healthcare.

Every donation, no matter how small, adds up to make a significant difference in the lives of women and girls in Sierra Leone. Your involvement during the Little by Little campaign will help us reach our fundraising goals and empower those who need it most.

Join us in building a brighter future for women in Sierra Leone.

Thank you for your continued support!

Warm regards,

AdvocAid Team
